Welcome to the course: **CareEvolve User Steps for Phlebotomy**. OhioHealth Laboratory Services partners with CareEvolve to bring you the OhioHealth Laboratory Services Orders Portal. You may hear the names CareEvolve and the OhioHealth portal used interchangeably.

At the conclusion of the course, you will understand how to generate a draw report, complete the order, and print the requisition. You will also be reminded of the support we offer for your CareEvolve issues.

Click anywhere to continue.
